Verse 1

```
C                          F          C
When peace like a river attendeth my way
     Am           D7          G
When sorrows like sea billows roll
    C                        F           C
Whatever my lot, Thou hast taught me to say
      F           C/G           G7   C
It is well, it is well, with my soul
```

Chorus

```
      C    G       C
It is well with my soul
      F           C/G           G7   C
It is well, it is well, with my soul
```

Verse 2

```
C                                  F             C
Though Satan should buffet, though trials should come
    Am           D7         G
Let this blest assurance control
     C                        F          C
That Christ hath regarded my helpless estate
         F            C/G          G7   C
And hath shed His own blood for my soul
```

Verse 3

```
C                          F        C
My sin, O the bliss of this glorious thought
   Am          D7            G
My sin, not in part, but the whole
   C                           F          C
Is nailed to the cross, and I bear it no more
           F                C/G        G7   C
Praise the Lord, praise the Lord, O my soul
```

Verse 4

```
C                               F              C
And Lord, haste the day when my faith shall be sight
    Am               D7        G
The clouds be rolled back as a scroll
    C                             F            C
The trump shall resound, and the Lord shall descend
     F         C/G          G7   C
Even so, it is well with my soul
```
